DIRECTOR'S *Message*

Assalamu Alaikum,

Dear Parents,

An education of the highest quality is the greatest gift that parents can provide to their children. The global generation will need exceptional academic and intellectual creativity to take on positions of leadership and address the many challenges that face our world.

This International School hopes to prepare learners for responsibilities, they will face in their lives. A plethora of academic and co-curricular activities offer the opportunity to all students to discover various facets of their personalities, cultural programmes and observance of International and National days showcase their intellectual potential and intrinsic talent.

At AMIS, we believe that children need not always be encouraged to explore, discover and learn by reflection, under the caring guidance of teachers. We are pledged to fulfill the expectations of our parent community and set a benchmark that is unparalleled in the field of quality education.

I conclude my message with an invitation to visit AMIS, where teaching and learning is simple and enjoyable and most importantly within the reach of students.

Warm Regards

M. HAQUE
